Chapter 1 by 7 grand dad

Teenagers, you can't beat them, without a belt, duh. As a teen, Your life can get pretty crazy. Like remember when your best friend went out with the girl or boy you been trying to go out with but you didn't have the balls to do it? Or that time you did that stupid challenge that you been dared to do since 7th grade? I did the eraser challenge. It was not pretty. So I thought it would be pretty cool if you guys out there to tell your stories! This is an ongoing series so enjoy.

Chapter 2 by Ava

Get out of my room, I hate you!

There was a book fair at our school, and the only reason anyone went was to waste break time. So, me and my friends were there, hanging and i decided to steal a girl in our group's hoodie. Then, she stole my glasses, I chased after her into a grade one class. we ran around there until the teacher walked in. we got in trouble and were told to stay after break and help the kids pack up their lunches. So, I did as I was told and helped the kids. Then, I decided to leave. Later, the girl came and told me the teacher was REALLY mad at me. She thought I didn't help and that I just left. I avoided her the last three years I was at that school.
